## INTRODUCTION

On the 225 rolls of this microfilm publication are reproduced the compiled records that give the military service histories of units in volunteer Union organizations. The compiled records are card abstracts containing information relating to the stations, movements, or activities of each unit or a part of it, and frequently to its organization or composition, strength and losses, and disbandment. Sometimes the names of commanding officers, the dates the unit was called into service and mustered out, the terms of service, and similar information are included.

The compilation of records of service by military units of volunteer Union organizations was undertaken simultaneously with the compilation of the service records of volunteer Union soldiers. The work was begun in 1890 under the direction of Capt. Fred C. Ainsworth, head of the Record and Pension Division of the War Department. The abstracts were made from original muster rolls and returns in the custody of the War Department and from rolls borrowed from the Second Auditor of the Treasury. The abstracts made from the original records were verified by a separate operation of comparison, and great care was taken to ensure that the abstracts were accurate.

Most of the compiled records reproduced on this microcopy are arranged alphabetically by State or Territory. The remainder are for units that were not limited to any one State or Territory; among them are the U.S. Colored Troops, U.S. Volunteers, and U.S. Veteran Reserve Corps. The records are further arranged by organizational breakdown under each unit.

Most of the compiled records for each organizational unit are in jacket-envelopes bearing the title "Record of Events" and giving the name of the unit. Many of the cards contain abstracts of the record-of-events information as found in original muster rolls and returns. Also included are some cards showing the exact captions of the muster-in and muster-out rolls that were copied and the certifications by the mustering officers verifying the accuracy of the rolls. The jacket-envelopes for a few units contain no documents but do contain references to other units with which these units were merged. In some instances the references concern transfers of documents.

Preceding the jacket-envelopes for the organizational units there sometimes are envelopes containing general notation cards giving information relating to the units. Some of the notations are statements of determinations made by the War Department concerning the service of the units; others contain information that was found in original records other than muster rolls and returns.

## NATIONAL ARCHIVES MICROFILM PUBLICATIONS

There are some card abstracts made from returns that are not in jacket-envelopes. These abstracts were accumulated by the War Department to be interfiled with the regular abstracts but were not interfiled, for one reason or another. The usual reason was that the abstracts made from returns were compiled later than those from muster rolls and in some cases the War Department failed to complete the filing of them. The National Archives has collected all the unjacketed abstracts that could be found for each unit and has filed them immediately after the jacket-envelope containing related abstracts for the unit. A card labeled "Additional Card Abstracts of Records" has been placed at the beginning of each set of unjacketed abstracts to distinguish them from the ones that are in jacket-envelopes.

The National Archives also has compiled service records of the volunteer Union soldiers who served in the units whose service histories are reproduced in this microcopy. They consist of a jacket-envelope for each soldier, labeled with his name, his rank, and the unit in which he served and typically containing (1) card abstracts of entries relating to the soldier as found not only in original muster rolls and returns but in other original records such as hospital rolls, descriptive books, and lists of deserters; and (2) the originals of any papers relating solely to the particular soldier. In a few instances there are compiled service records for volunteer Union soldiers who served in units for which there are neither record-of-events nor general notation cards; consequently, there is no record of such units in this microcopy. These units generally served only for short periods (about 1 to 3 months) or failed to achieve a complete organization. There are card indexes that may be used to locate the compiled service record of a volunteer Union soldier. Most of the indexes and some of the compiled service records of volunteer Union soldiers have been microfilmed.

The compiled records showing the service histories of units in volunteer Union organizations reproduced in this microcopy, the compiled service records of volunteer Union soldiers, and the indexes to the latter are part of Record Group 94, Records of The Adjutant General's Office.

RECORD OF EVENTS.

Since leaving Hunters  
Chapel. Va. on the  
10th of March 1862  
the Regiment has been  
almost constantly on  
the march, without  
canvass tents and  
the men exposed  
to the most inclement  
weather - at various  
stations along our  
route the baggage  
of the Regiment has  
been left behind  
causing a scarcity  
of clothing amongst  
the men. the want  
of which at times  
has been keenly felt.

Henry

June 8, 1862, the Regiment took a very prominent part in an engagement with the enemy at Cross Keys Va. by which our total loss in killed, wounded and missing is 89 officers & enlisted men.

During the engagement, Adjutant Gastrow Alexander had his horse shot from under him, thereby subjecting him to a total loss of his horse & horse equipments.

RECORD OF EVENTS.

This Co. has been on the march without tents, since the 10<sup>th</sup> of Mar. 1862. At several stations the men were ordered to leave their baggage behind. Accordingly Blankets, Great Coats, Dress Coats, Blouse & Pants, Shirts & Drawers were sent to the several storehouses at Washington, New Creek and Petersburg, Va. On the 8<sup>th</sup> of June the Co. took part in the engagement at Cross Keys. Every man, without exception behaved with the greatest boldness and bravery throughout the engagement.

RECORD OF EVENTS.

On the 28 day of February 1862  
The company left Hunters Chapel  
Va for Anandale Church, leaving  
behind tents, many articles of  
clothing too cumbersome to carry.  
Officers baggage &c &c. Performed  
Picket duty at Anandale until  
March 10<sup>th</sup> when we joined our  
regiment with the entire army  
towards Centerville. From that  
time up to the present, we have  
been almost constantly upon the  
march exposing ourselves without  
shelter to the inclemency of the  
weather. In order to lighten our loads  
we were ordered to leave every  
thing behind at Petersburg except  
our blanket. We were six weeks  
without a stock of clothing but what

was upon our backs many articles of clothing were lost in making such forced marches. We frequently marched 8, 20 or 22 miles per day, day in and day out. Took a very active part in the Battle at Cross Keys Va on June 8. 1862

a galling fire from the enemy, having  
formed our lines, the Regiment charged  
upon them, driving them back a  
considerable distance and capturing  
a large number of prisoners, but we  
were again repulsed owing to superi-  
ority of numbers, and the destructive  
fire of the enemy's Artillery. we again  
retreated, and in this charge lost  
heavily. here the Major commanding  
the Regiment fell. we were still ad-  
vancing on the enemy when the order  
was given to fall back the order was  
executed in good order, the Regiment  
halting in the breastworks on the  
left and in rear of the Brick Hospital  
and remaining there awaiting the enemy

Rebels some 3000 strong consisting of Artillery Cavalry & Infantry now made an attack on our lines and the action soon became general. After 5 hours hard fighting our Artillery (9" A. G.) Lieut Martin arrived and soon silenced all the enemies guns. We then charged bayonets on the rebels who broke & fled in the direction of Charlton Va. We captured in the action a 32 pounder Columbiad and 4 prisoners. Our only casualty was one private slightly wounded. We returned to Camp same night (16) and remain there till the 30 of the month performing Camp & Batt. Drill. On that day were ordered to Sandy Hook together with Co's G. & H. and relieved 3 Co's Regt 13 Mass Vols.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears slightly aged or off-white. There are some small dark spots or smudges scattered across the surface, particularly near the top edge. The overall appearance is that of a clean but slightly worn piece of stationery.
